

Dear Community and Business Leader,

The First Coast Summer Swim League (FCSSL) is seeking community partners to support youth athletes and families across Northeast Florida. Since 1997, FCSSL has provided children the opportunity to participate in competitive swimming in a positive, development-focused environment. As a 100% volunteer-led organization, we ensure that every dollar directly supports athletes and programs.

Since 2022, FCSSL has awarded high school scholarships to graduating senior athletes, and the program continues to grow each season. We also provide financial assistance to families who may not otherwise be able to afford participation, ensuring access for all athletes.

FCSSL is a registered 501(c)(3) nonprofit organization, and all sponsorships are tax-deductible to the extent allowed by law.

Sponsorship Opportunities:

- \$250** – Website and Championship Meet heat sheet recognition
- \$500** – All of the above, plus a commemorative plaque
- \$1,000** – Named scholarship in your business name
- \$1,500** – Increased recognition and visibility
- \$5,000** – Premier recognition and multiple scholarship opportunities

Your support directly impacts local athletes and families while aligning your organization with youth development and community leadership.
